Getting Started (Quick Guide)

January 2022

Getting Started

Once you've gained access to the SharePoint site, with your newly assigned credentials, begin exploring!

Check out the Country Folders, News Posts, Members List, List of Market Guardians, and all Supporting Documentation

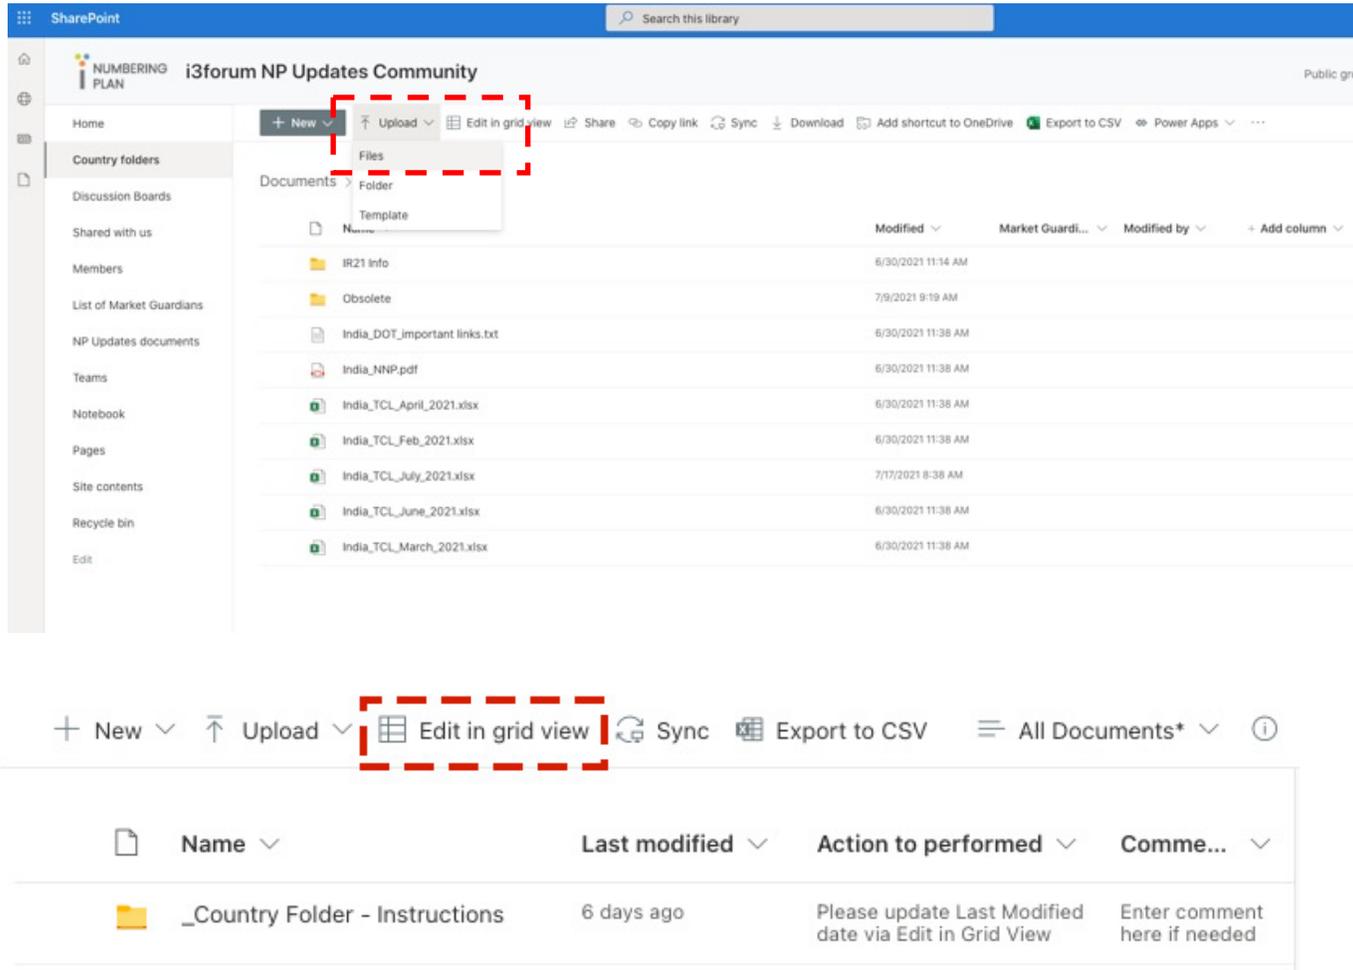

1. Explore country folders to get the latest NP updates for the various markets (you can sort the folders by the 'last modified' field)
2. Begin posting updates (for countries where you are the assigned market guardian, if any, and/or, countries that have not been assigned a guardian)*
3. Create a News Post(s) promoting your updates (tag participants, or the entire user group, in the comments section to notify them of your post)
4. Engage with industry peers! Start a Q&A session (or broader discussion) by utilizing the News section
 1. create a News Post containing your question or topic for general discussion
 2. tag participants, or the entire user group, to notify them accordingly (auto email notifications alerting them to your News Post)
 3. participants can reply through the comments section of the News Post while tagging participants at the appropriate level to notify them of their response(s)
5. Reach out to members individually using the Members List (email address included)
6. Contact the i3forum for any issues, suggestions, or mishaps! (npadmin@i3forum.org)

**Please ensure you do not delete anything except your own posts if required (SharePoint is an open platform)
Please do not create additional folders or add anything to home page structure (contact i3forum for any related suggestions,
npadmin@i3forum.org)**

* Countries with a market guardian will include the assigned guardian in the country folder name, guardians can also be found in the 'List of Market Guardians' on the main menu (left side of home page)

Posting NP updates

The screenshot shows the SharePoint interface for the 'i3forum NP Updates Community'. The 'New' button is highlighted with a red dashed box, and its dropdown menu is open, showing options for 'Files', 'Folder', and 'Template'. Below this, a table lists various documents and folders. At the bottom, the 'Edit in grid view' button is also highlighted with a red dashed box, and a table shows a row for '_Country Folder - Instructions' with columns for Name, Last modified, Action to performed, and Comments.

Name	Last modified	Action to performed	Comme...
_Country Folder - Instructions	6 days ago	Please update Last Modified date via Edit in Grid View	Enter comment here if needed

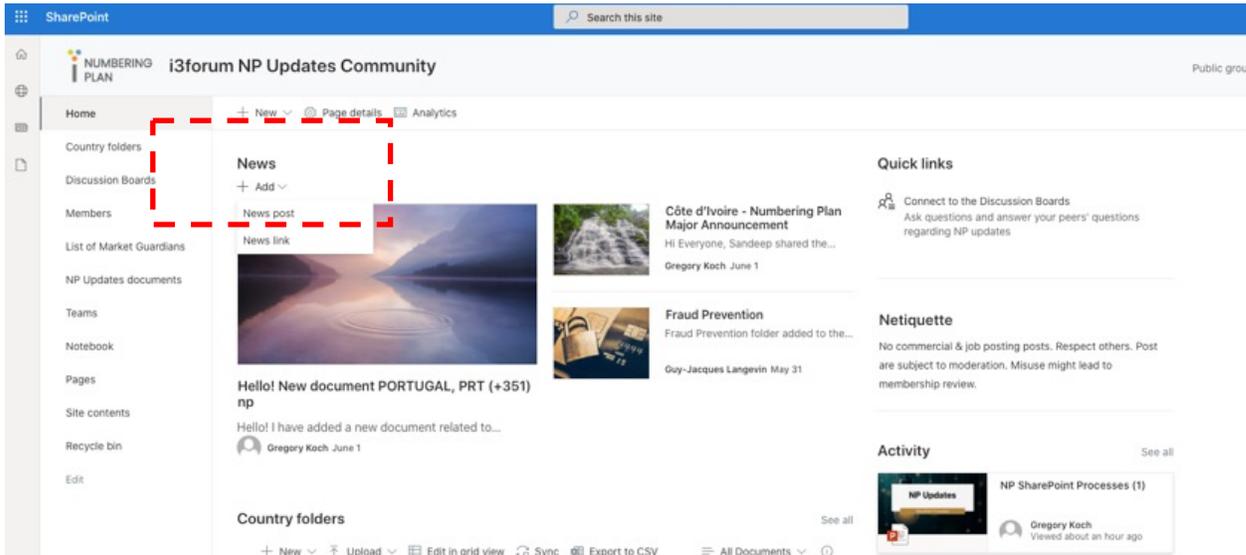

Upload your NP Update file(s) in the proper country folder(s)

Please update the 'Last modified' date of the country folders when uploading your NP updates within those folders.

- Navigate to the country folder associated to your NP update
- Within the country folder upload your NP Update
- Navigate back to the country folder level (where you just uploaded your update)
- Select 'Edit in grid view'
- Update the 'Last modified' field with today's date (or the date when you uploaded the update if not today)
- If you want to include specific comments or clarifications with your update, while in "Edit in grid view", click in the "Comments" field to enter them accordingly

Creating News Posts

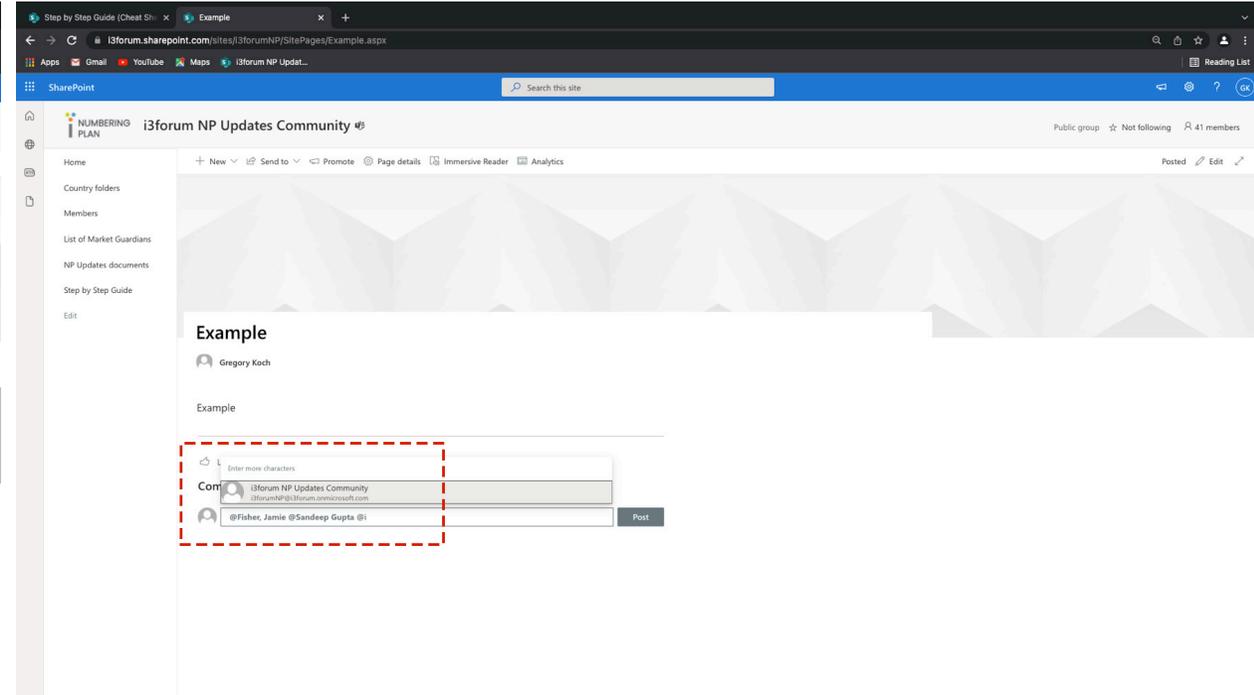

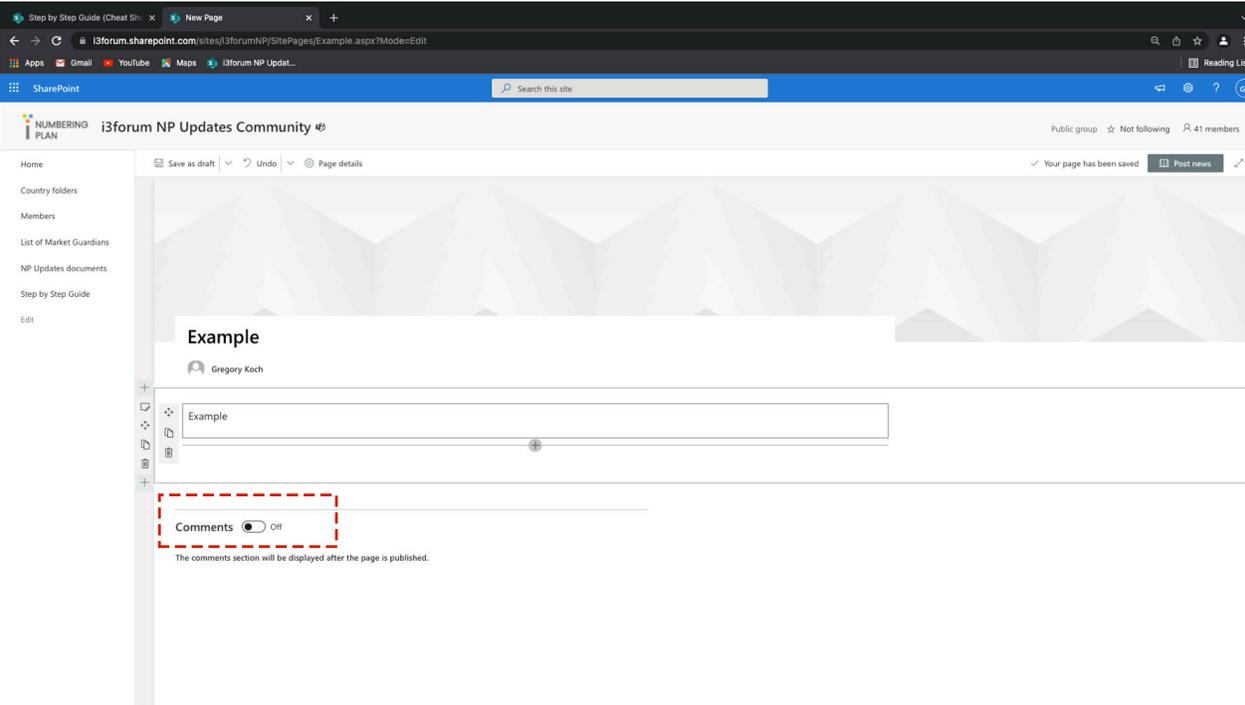

Utilize the News section to maximize awareness of your NP update.

- Navigate to the News section on the homepage
- Click the "+ Add" and select "News post"
- Select the "Blank" template and click on "Create post" (Blank template seems to be most user friendly with full features & functionality)
- You can then add an Image, add Text, and enable comments on your post

Creating News Posts

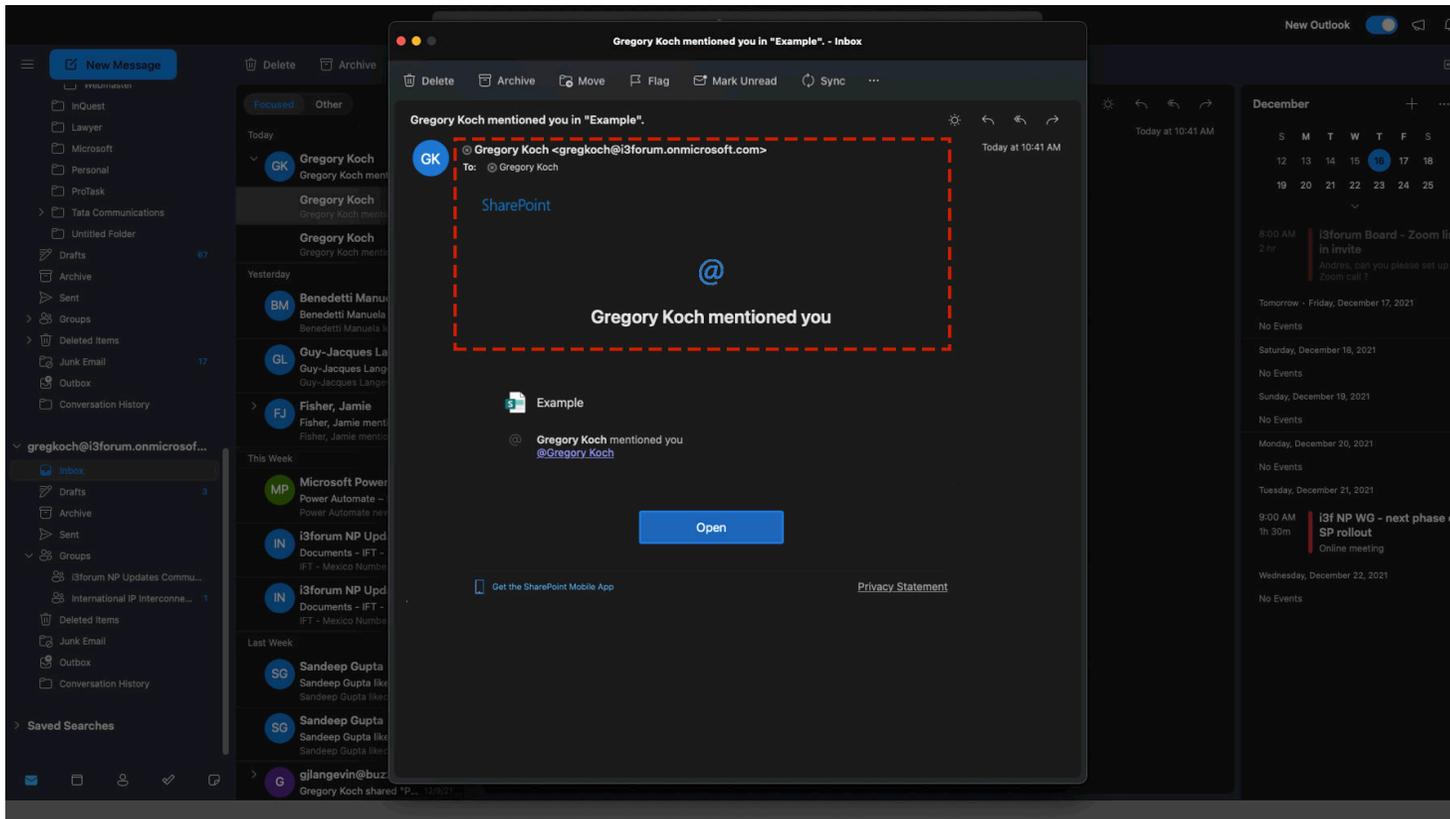

Utilize the News section to maximize awareness of your NP update (Continued)

- Enabling comments is required in order to send your post directly to targeted recipients (tagging other users) or the entire user group (depending on your needs)
- In the comments section type '@' and then a username, multiple usernames, or the user group name to tag other users at the appropriate level as needed
- Tagging them will ensure they receive a (email) notification alerting them to your post
- Hit "Post news"

Engaging With Peers

Utilize the News Section for asking (and answering) questions or creating broader dialogue and discussions with other members regarding topics of interest.

The 'Comments' section of News posts should be used to tag other participants (or the entire group) when initiating or participating to Q&A, and/or initiating or participating to broader discussions/dialogue regarding topics of interest.

Common use cases include

1. Asking questions about another member's NP update
2. Answering questions another member asked you
3. Initiating and participating to a more general dialogue regarding topics of interest

Asking questions about another member's NP update

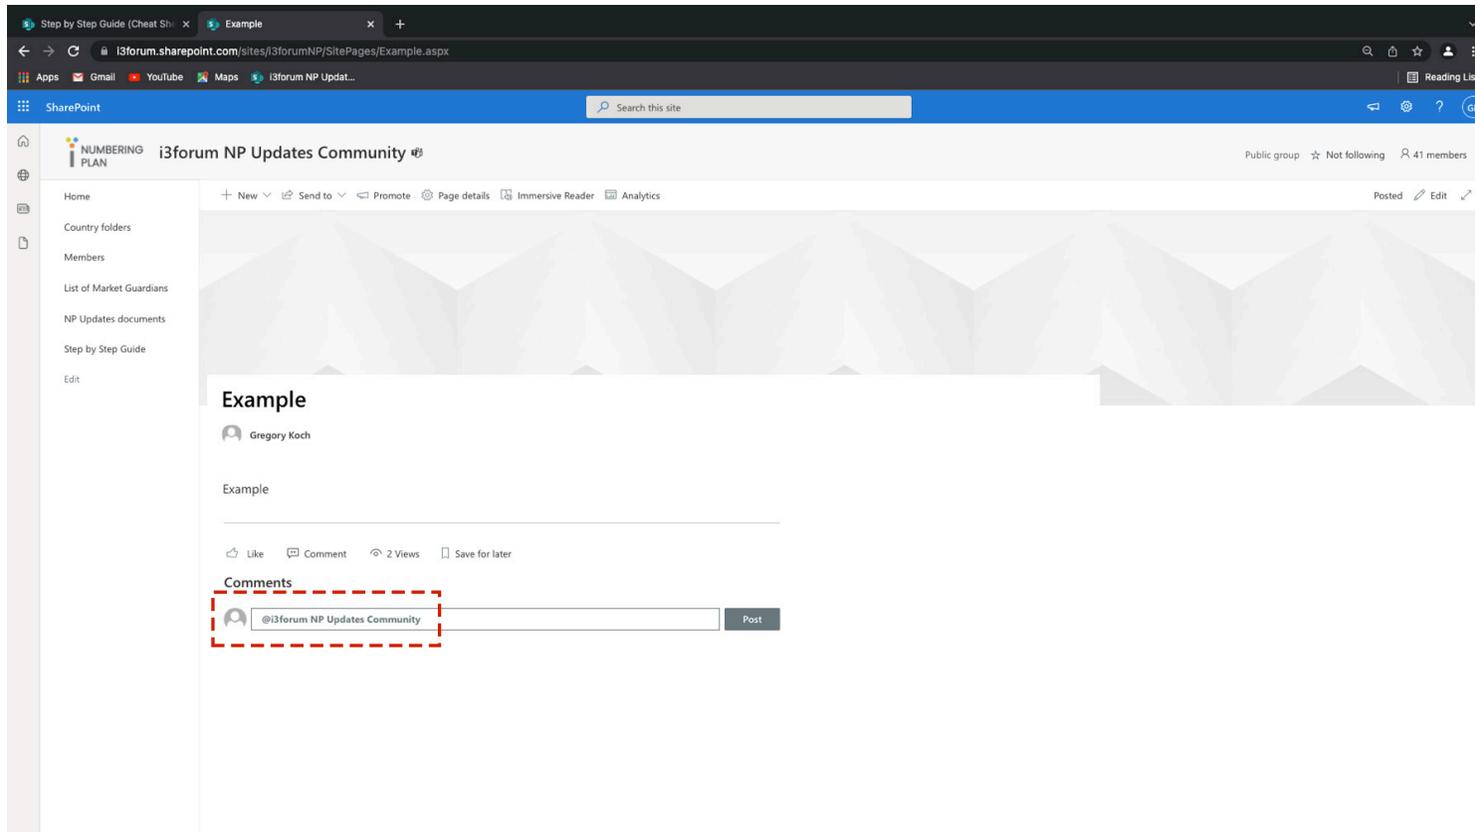

1. If the other member created a News post to promote their update, simply click on their update and scroll to the 'Comments' section
2. Type '@' and their user name, multiple user names, or the group id and type your question accordingly
3. All users that were tagged in step (2) above will receive a (email) notification alerting them to your question
4. If the other member did not create a News post to promote their update, you will need to create a new News Post containing the details of your question and utilize the 'Comments' and tagging functionality as described above.

Answering questions requested of you

1. Click the link to the News post you received in the (email) notification, this will take you to the News post on the SP site
2. Scroll to the 'Comments' section, find the comment containing the question for which your response was requested, and click 'reply'
3. Type '@' and the user name, multiple user names, or the group id and respond with your feedback which will be sent to the users that you tagged

How do I know if something has changed?

Creating and Managing Alerts to changes that are important to me

For example, I want to proactively receive notifications of changes in specific country folders (i.e. India)

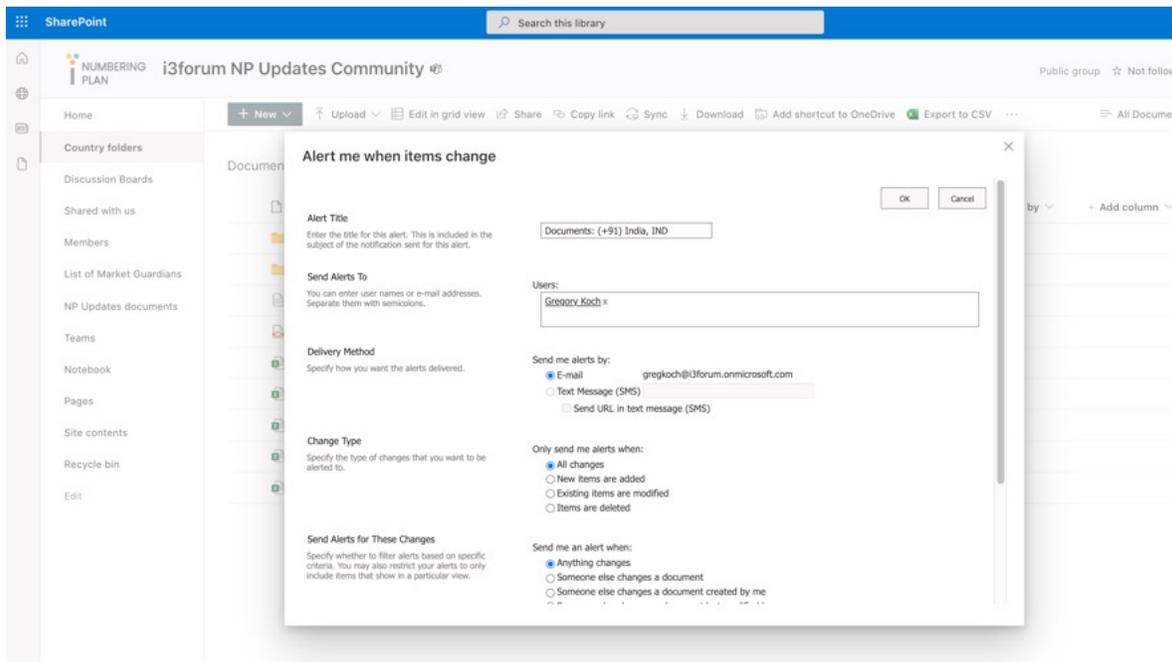

The screenshot shows the SharePoint interface for the 'i3forum NP Updates Community' site. The left sidebar contains navigation options like 'Home', 'Country folders', 'Discussion Boards', 'Shared with us', 'Members', 'List of Market Guardians', 'NP Updates documents', 'Teams', 'Notebook', 'Pages', 'Site contents', 'Recycle bin', and 'Edit'. The main content area displays a document list for the folder '(+91) India, IND'. The list includes folders like 'IR21 Info' and 'Obsolete', and documents such as 'India_DOT_important links.txt', 'India_NNP.pdf', and several 'India_TCL' files. A context menu is open over the 'Alert me' option, which is highlighted with a red dashed box. The menu options include 'Add shortcut to OneDrive', 'Export to CSV', 'Power Apps', 'Automate', 'Alert me', and 'Manage my alerts'.

Name	Modified by	Modified
IR21 Info		
Obsolete		
India_DOT_important links.txt		6/30/2021 11:38 AM

How do I know if something has changed?

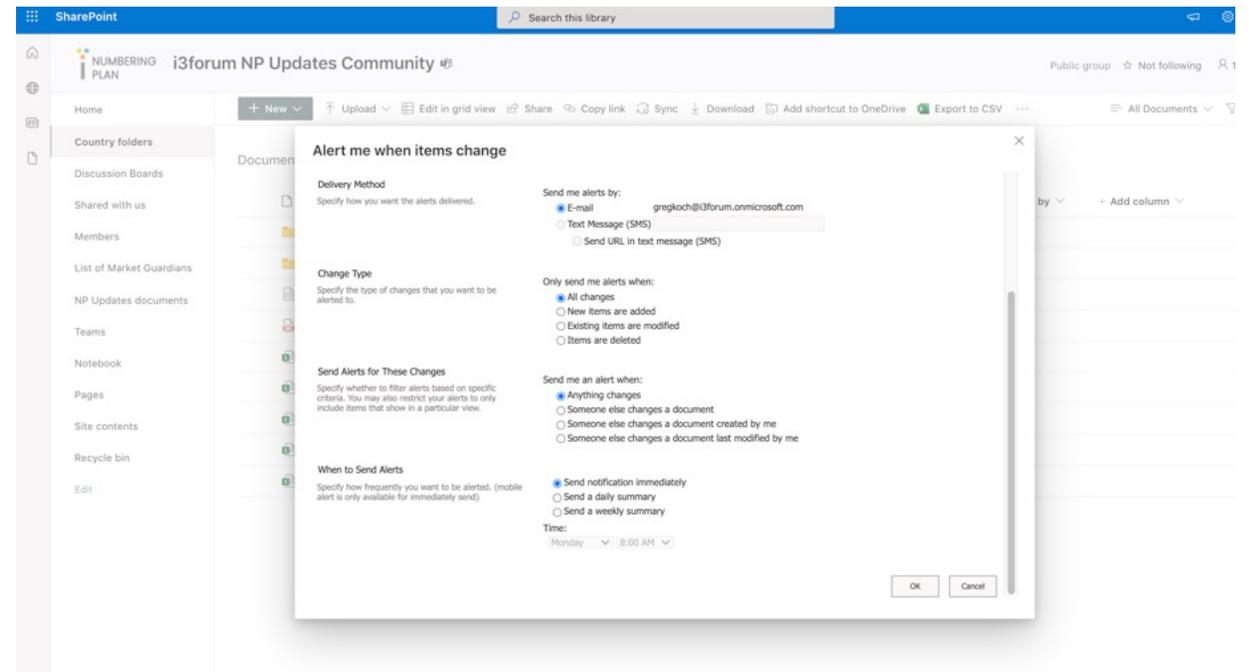

Select from pre-defined options to tailor your alerts based on personal preferences (some options may not be available based on licensing details)

The screenshot shows the 'Alert me when items change' dialog box in a SharePoint library. The dialog is titled 'Alert me when items change' and has a close button (X) in the top right corner. It contains several sections for configuring the alert:

- Alert Title:** A text box containing 'Documents: (+91) India, IND'. Below it is a note: 'Enter the title for this alert. This is included in the subject of the notification sent for this alert.'
- Send Alerts To:** A text box containing 'Gregory Koch x'. Below it is a note: 'You can enter user names or e-mail addresses. Separate them with semicolons.'
- Delivery Method:** Radio buttons for 'E-mail' (selected), 'Text Message (SMS)', and 'Send URL in text message (SMS)'. The 'E-mail' option is selected with the email address 'gregkoch@i3forum.onmicrosoft.com'.
- Change Type:** Radio buttons for 'All changes' (selected), 'New items are added', 'Existing items are modified', and 'Items are deleted'.
- Send Alerts For These Changes:** Radio buttons for 'Anything changes' (selected), 'Someone else changes a document', 'Someone else changes a document created by me', and 'Someone else changes a document last modified by me'.
- Send me an alert when:** Radio buttons for 'All changes' (selected), 'New items are added', 'Existing items are modified', and 'Items are deleted'.
- Send me an alert when:** Radio buttons for 'Anything changes' (selected), 'Someone else changes a document', 'Someone else changes a document created by me', and 'Someone else changes a document last modified by me'.

Buttons for 'OK' and 'Cancel' are located at the bottom right of the dialog.

The screenshot shows the 'Alert me when items change' dialog box in a SharePoint library, similar to the first screenshot but with different settings. It contains several sections for configuring the alert:

- Delivery Method:** Radio buttons for 'E-mail' (selected), 'Text Message (SMS)', and 'Send URL in text message (SMS)'. The 'E-mail' option is selected with the email address 'gregkoch@i3forum.onmicrosoft.com'.
- Change Type:** Radio buttons for 'All changes' (selected), 'New items are added', 'Existing items are modified', and 'Items are deleted'.
- Send Alerts For These Changes:** Radio buttons for 'Anything changes' (selected), 'Someone else changes a document', 'Someone else changes a document created by me', and 'Someone else changes a document last modified by me'.
- Send me an alert when:** Radio buttons for 'All changes' (selected), 'New items are added', 'Existing items are modified', and 'Items are deleted'.
- Send me an alert when:** Radio buttons for 'Anything changes' (selected), 'Someone else changes a document', 'Someone else changes a document created by me', and 'Someone else changes a document last modified by me'.
- When to Send Alerts:** Radio buttons for 'Send notification immediately' (selected), 'Send a daily summary', and 'Send a weekly summary'. Below this is a 'Time' field set to 'Monday' and '8:00 AM'.

Buttons for 'OK' and 'Cancel' are located at the bottom right of the dialog.

Initiating discussion regarding another member's post – asking questions

1. Enter your question in the comments section of the News Post associated with the NP Update (tag the owner of the update to ensure they receive an auto notification to your question)*
2. If the owner of the NP Update did not create a News Post you will need to create one containing the details of your question while utilizing the comments and the tagging functionality accordingly*
3. Alternatively, maintain the discussion 'offline' via email if preferable to utilizing the News functionality

* Please reference Getting Started (Screen Shots) for more details

Core NP Data (expected in posts)

- Range (Country Code + National Destination Code + Subscriber Number)
- Network Provider (Owner of the range as designated by NRA, trying to avoid generic names including OLO, etc.)
- Network Type (Fixed, Mobile, Non-Geographic i.e.. Satellite, Free-Phone, Toll Free, VoIP Personal, etc. as designated by NRA)

Additional Highly Desirable NP Data (welcome in posts)

- Status of Range (Vacant = no information, Reserved = network type but no service provider, Assigned = reserved + service provider, In Service = assigned + available for use)
- Service Provider (the operator that is using the range to provide service, if we know, might be different than the network operator that owns the range, in cases such as OTT and MVNO, etc.)
- Use of Range (Premium Number, VAS, Audio Text, MSRN, VoIP)
- Effective Date (MNDDYY)
- Minimum Length (includes country code in length)
- Maximum Length (includes country code in length)
- International Eligibility (A number, B number, both, no, unknown)
